2023 - Netsweeper - Safeguarding - Illegal Online Content

This visualisation shows any **Illegal** online content access attempts.

The categories included in this visualisation are:-

Child Sexual Abuse, Terrorism, IWF, CTIRU

Access attempts to these categories may NOT show any URL and we are unable to retrieve these due to the illegal nature.

You may be able to see referral information that might help identify if the access attempt was performed using a test tool.

If there is no data shown below, there have been no attempts to access Illegal Online content

Results for time period: 09:07:27 29/05/2024 - 09:07:27 26/09/2024

Date	User	IP Address	Category	Hostname	Referral URL	Action
